LOUISE TILER

CARDS, STATIONERY & GIFTING

2019 Catalogue

Our Story

Owned by partners Louise and Gavin, Louise Tiler Designs Ltd is an award winning greeting card and surface pattern design studio.

With a driven and passionate team of "card lovers" the company has gone from strength to strength over the last four years. Proudly based in West Yorkshire our team take great pride in every stage of the process from the creation of unique designs to production through to packaging and customer care.

In 2011 Louise was named "new designer of the year" and has since gone on to be named "Most promising young designer 2017" at the prestigious Henries Awards. Distributing both in the UK and globally to over 16 countries we are proud to supply clients such as Paperchase, Fenwick and John Lewis.

Our designs can also be found on gift packaging from Penny Kennedy. As an environmentally conscious company, we want to continue to play our part in helping with the global environmental issues, that is why all our cards and packaging are made only using FSC products. As part of our continued commitment to this we will be looking into the potential of using bio-degradable packaging and ways in which we can cut plastic from our business in the near future.

In this catalogue you will find our exciting new 2019 ranges as well as our bestselling designs. As always, we are already busy designing more cards for 2019. We always love to hear from you, our lovely customers, so please do not hesitate to contact us.

We hope to see you at a trade show soon.

Louise, Gavin and the LT team.
